At Harbor Lights, every wedding begins with a view — sweeping panoramas of Narragansett Bay, the sparkle of sunlight on the water, and the gentle touch of the salty breeze that makes each moment feel timeless. It's a setting that feels like a destination, yet close to home — the kind of place where luxury unfolds naturally, and every detail is designed around you.

Each celebration includes everything you need for an unforgettable day and more: a wedding suite, a dedicated wedding coordinator to orchestrate every moment, a skilled culinary and service team delivering exceptional cuisine, and full setup and breakdown so all you need to do is arrive and exhale.

Our weddings are 5.5 hours with a ceremony, cocktail hour and reception, complete with crisp linens, a selection of napkin colors, and beautifully appointed furnishings — all complemented by the stunning waterfront backdrop that makes Harbor Lights one of Rhode Island's most sought-after coastal venues.

Whether you're exchanging vows by the bay or dancing under the stars, every wedding at Harbor Lights is designed to be effortless, elegant, and entirely your own — a true reflection of your love story against the beauty of the sea.
